Logistics Committee Update

Michael reported. Committee met and notes from the Nashville conference site visit were reviewed. Drea will work on contracts with hotel and reception site. Meeting spaces at the school were reviewed. Transportation options were discussed including shuttle vans and Uber credits for attendees. Service animals would have to be considered. The hotel is about two miles from the school (a long walk). The pre-conference survey results (20 responses) were discussed. Survey will be kept open longer. 70% are likely to attend in person. COVID protocols were discussed – another conference offered color coded lanyards to indicate comfort level for interaction
