Annotations

1	By Title folder tab allows libraries to specify a number of copies to keep AVL for non-copy specific media. All others are given the new statuses.
2	Tab specific information
3	List of titles with matching items
4	Title Info for selected title
5	BibStats and HoldStats for selected title
6	HoldPerStats for open periods Just # of CopyCircs
7	Browse of matching items for the selected title can be added as a second phase if needed
8	Toolbar similar to "By Item" tab adds Mark Reviewed button which increments the titles reviewed counter
