Elections

There is one candidate each for the open officer positions. Jared Leslie of Foundation for Blind Children was nominated for Vice President and Tony Bucci of Arizona Talking Book Library was nominated for Secretary. Nominations can also be taken from the floor during the Business Meeting at the KLAS Users' Conference. Per the bylaws, if there are no other nominations the election will proceed at the conference via voce. If there is more than one nominee, the vote will be conducted online.

Keystone Updates

The officers received conference updates. There are 242 people registered for the conference to date. There are still user moderator slots open for some sessions. Speaker and moderator information has been sent out to presenters and planning committee members. The welcome e-mail will be sent out to attendees one more time so it will be at the top of e-mail inboxes. Sessions need to be on time because PhreedLoop will stop streaming at a specific time. There was a question about accessibility from a speaker and Drea sent him some information, but she also asked PhreedLoop about keyboard shortcuts and she is waiting for a response. Michael will introduce the Keynote Speaker. Recordings will be available as soon as possible at the conclusion of the session. The Zoom participant limit was increased.
