### ***Nominations for KLAS Users' Vice President***

The officers had a short meeting to receive an update about the elections process. Nominations are now closed, and the potential candidates have been notified. Bios of the individuals who accept the nomination will be published, and the online voting period opens on June 29.

### ***Preview of new klas.com***

Keystone is working on a redesign of the klas.com website. Drea showed a draft version. It will work on both mobile and desktop. There is an addition of a support button to submit a ticket. The Users' Community section will have more information about past Julie Klauber Award Winners and the Scribe. There will be fewer submenus with the goal of making it easier to navigate the website and locate information.

### ***Next Meeting Date***

Call scheduled for 7/28/20 at 2:30 PM Eastern.

Respectfully submitted by Erin Pawlus, secretary.
