KLAS Users' Conference 2019 Planning

Contracts have been signed and the hotel and reception locations are now official.

More information is now available on the KLAS Users' website, including the link to book a room at the Holiday Inn Palm Beach Airport.

The officers agreed on registration dates, which will be added to the website within the next few days.

Invitations will be extended to previous committee members to participate in the Program and Logistics Committees. People who expressed an interest in the follow-up survey will also be contacted. Depending on the response, a general call may be sent out by e-mail shortly thereafter.

KLAS UC Feedback Survey

The officers reviewed comments from the 2018 conference survey and more recent follow-up survey. The comments will be further reviewed by the planning committees for the next conference, so they prioritized suggestions made for changes to the event.

KLAS Development Advisory Committee (KDAC)

The next meeting for KDAC will occur on Tuesday, 9/25/18 at 2:30 Eastern. Erin will begin developing an agenda and reach out to committee members for items that they would like included.

Officer's Missive

Craig let everyone know that his library came through the hurricane without major problems, and he will be working on the missive very soon. He hopes to describe some of his experiences with the Scribe so far.

Next Meeting Date

Call scheduled for 10/16/18 at 2:00 PM Eastern.
